## ABOUT US

Goobi Glass is the world's first patent technology colored glass for automobiles. We offer windows, sunroofs, and windshields for any type of vehicle with many colors to chose from.

Our inventory currently has 75 different shades with the capability to fully customize up to 18,000 different colors upon request.

## OUR TEAM

Our team is comprised of talented experts who are passionate about their work, and dedicated to deliver you high quality colored windows for your automobile.

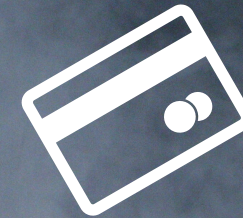

## HOW DOES IT WORK?

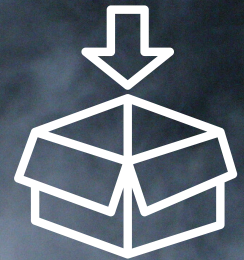

Submit a form with the year, make and model of your car.

Our sales team will reach out to you for more details.

Select a preferred method of payment.

Your colored glass is made and shipped directly to your front door.

Install the windows with your mechanic and our custom installation kit.
